North Codorus Township

2025 Recycling & Trash Service Guide

Sustainability in Action

Dear North Codorus Township Residents,

North Codorus Township awarded a new contract to Republic Services. The new contract requires that carts are used for both recycling and trash. The reason all recycling and trash must be in carts is due to safety issues. Service in the township is on Wednesday and Thursday. Recycling, trash and bulk items should be set out the night before service and no later than 5 a.m. the day of service.

Service Options

Regular Service: one 96-gallon cart for trash serviced 1x a week, one 64-gallon cart for recycling serviced 1x a week, and one bulk item permitted weekly (must be pre-scheduled by calling **800.210.9675**). All recycling/trash must be in the cart.

The pricing for the next 3 years is:

- 1/1/2025-12/31/2025: **\$99.33/quarter**
- 1/1/2026-12/31/2026: **\$106.26/quarter**
- 1/1/2027-12/31/2027: **\$113.70/quarter**

Low-Volume Service: one 35-gallon cart for trash serviced 1x a week, one 64-gallon cart for recycling serviced 1x a week, one bulk item permitted weekly (must be pre-scheduled by calling **800.210.9675**). There is no more tag option; this is the only low-volume option. All residents who currently have the low-volume tag service will receive 35-gallon carts, delivered by the end of December. All recycling/trash must be in the cart.

The pricing for the next 3 years is:

- 1/1/2025-12/31/2025: **\$66/quarter**
- 1/1/2026-12/31/2026: **\$70.62/quarter**
- 1/1/2027-12/31/2027: **\$75.57/quarter**
